February 13, 2018

Dear Parent/Guardian,

The purpose of this letter is to inform you that there has been a transition in leadership at the principal level at Stambaugh Middle School. It is my charge to oversee Stambaugh Middle for the remainder of the current school year. I will remain the Principal of Auburndale High School while serving our district and Stambaugh Middle School in this capacity. On behalf of the district, Auburndale High School, Stambaugh Middle School, and the Community of Auburndale, I would like to thank Mrs. Trish Butler for the hard work, time, energy, and effort she has given as Principal of SMS. We wish her the best as she takes on a new challenge at Ridge Technical College.

As the Principal of Auburndale High School and former Assistant Principal of Stambaugh Middle School, I appreciate the opportunity to support SMS in their quest to create an extraordinary school environment, increase student achievement, improve their school grade, and prepare their Li'l Hounds for success in high school, college, careers, and citizenship.

Auburndale High School takes great pride in serving our feeder schools and is totally committed to investing ourselves in our Li'l Hounds at SMS. I cherish the privilege of serving the Community of Auburndale High School and have a special place in my heart for Stambaugh Middle School. It is my honor to serve both of these wonderful schools, both of which are rich in history and tradition.

The Staff and Community of AHS will work diligently to affirm, encourage, and support the tremendous effort the staff, students, and parents of SMS are giving to lift their school to new heights. Their work to provide our Hounds a world class education will continue as we work together to see it to fruition.

You are cordially invited to join us for our Community Action Team Meeting, Thursday, February 22, 2018, at 6:00pm in Winter Haven High School's Auditorium. We will start in the auditorium and then move to another room for our presentation and to discuss ways we can work together to ensure this great community school meets its mandate to improve our school grade and increase student achievement as our Li'l Hounds continue on the "Trail of Knowledge."

Sincerely,

John Hill

Principal, Auburndale High School  
Acting Principal, Stambaugh Middle School
