Tye Bruno  
Principal

### Student ID Badges

- Polk County Public Schools has mandated that all students, grades 6-12, will be required to wear an identification badge.
- Initial student identification badges will be provided to students, at no cost, to ensure the safety and security of students and staff. **Students must wear these ID badges around their necks at all times while on school grounds.**
- Anytime a student misplaces or forgets their ID badge, they will be sent to the office to get a replacement ID badge. **The cost of the replacement badge will be \$5.00. If a student is unable to pay for the badge at the time, they will be given a badge but will be placed on the obligation list.** Students will incur a \$5.00 fee each time they are without their badge.
- District policy clearly states that ID badges are to be worn around or near the neck area at all times. Students will not be allowed to keep ID's in their pockets or backpacks. Anytime a student refuses to wear their badge in the proper location they will be considered insubordinate and may be subject to disciplinary action.
